Sir:

In reply to the January 13, 2004 Final Rejection, Applicants respectfully request reconsideration and allowance of claims 1-22.

As mentioned in the Office Action, Information Disclosure Statements (IDSs) with Forms PTO-1449s were filed in the above-identified patent application on October 14, 2003 and November 19, 2003. Applicants received back from the Examiner a copy of the Form PTO-1449 submitted with the November 19, 2003 IDS, initialed to acknowledge the fact that the Examiner has considered the cited disclosed information. Although the reference applied in the present Office Action was cited in the October 14, 2003 IDS, Applicants have not yet received back from the Examiner a copy of the Form PTO-1449 initialed to acknowledge the fact that the Examiner has considered the cited disclosed information. Thus, the Examiner is requested to initial and return to the undersigned a copy of the subject Form PTO-1449. For the convenience of the Examiner, a copy of that form is attached.

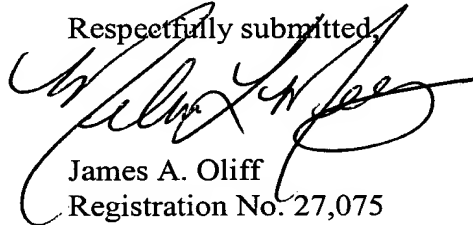

Claims 1-22 are rejected under the judicially created doctrine of double-patenting over U.S. Patent No. 6,485,672. In response to this rejection, a Terminal Disclaimer over U.S. Patent No. 6,485,672 is attached. Based on the filing of this document, it is respectfully submitted that the rejection of claims 1-22 under the judicially created doctrine of double-patenting should be reconsidered and withdrawn.

Attached hereto is a translation of the priority document.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-22 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
